

Outstanding Educator Luncheon

Each year, GHA students have the opportunity to honor an educator who has been particularly helpful, motivational or inspirational in their pursuit of their education—a teacher who has expected much of you while giving much in return.

The teacher you choose may be a teacher in your high school, but it doesn't have to be. Perhaps it's the one who first opened your eyes and heart to the world of learning and who has been an inspiration. Perhaps it's one whose you may have resented at the time, but whom you came to value as you realized the difference he or she had made.

The outstanding educator must not be the parents or sibling of the electing student.

The 2014 Mentor Recognition Luncheon will take place on **Sunday, July 13 at noon at the Town Center Marriott in Charleston**. The page following this one can be copied and given to the teacher who can complete the contact information. Then remember to pick it up so that you enter the information into the form on this page. Completeness is essential for the success of the event and proper communication with your mentor. Please provide as much information as possible. An accurate email address for your mentor is **REQUIRED** because important information and RSVP confirmation will be sent electronically. You should also tell your mentor that there will be email communication during late June or early July.

You may use this form to enter the information electronically when the link becomes available. The IT department at Fairmont State has included the form with the class selection form so that you only have to deal with one online form. Be sure to have this completed by the time you register for your classes on the 22nd.

Type in 12-pt. font a 5-6 line tribute to your teacher/mentor, noting the characteristics and actions that have made him/her so special to you. A copy will be presented to the teacher. **The tribute for the presentation will be cut off at 6 lines. A copy will be given to your mentor, so choose your words carefully and watch your grammar and writing mechanics.**

It would be a good idea to have the tribute in a document that you can simply cut and paste onto the online form.

Copy this page, personalize the note, write your name in the appropriate space on the form, and give it to your teacher.

Outstanding Educator Luncheon

Dear

Each year, students at the Governor's Honors Academy have the opportunity to honor an educator who has been particularly helpful, motivational or inspirational in their pursuit of their education—a teacher who has expected much while giving much of himself or herself.

I have selected you as the educator I will always remember and wish to honor, and I hope that you will be able to attend the luncheon and ceremony which will be held at the Town Center Marriott in Charleston on Sunday, July 13, at noon.

So that the folks at GHA can know how many people will attend and so that they can communicate directly with you, please provide the requested information. I will check with you again tomorrow to pick it up.
